- Motivating the staff members and students to publish two magazines per year.
- Students feed back to be maintained.
- Conducting Bridge course for first year students.

Part-B

Activities reflecting the goals and objectives of the Institution.

- ❖ The vision of our college is to impart literacy to students of economically backward rural area and weaker sections. In order to abide to our vision, computer education and soft skills development programmes have been imparted to all the students. Remedial courses have been conducted for all the weak students. Bright students have been identified and intensive coaching has been given to them to achieve laurels.
- ❖ Higher education to the village people in and around Gandhi Nagar has been the main thrust of this Institution. In 2005 – 06 the College enables 1640 students to pursue higher education with ease. Since most of the students are hailing from economically backward families, nominal fee are charged for them.
