

## **ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC**

Name of the Institution: **Rani Anna Government College for Women, Tirunelveli.**

Year of Report : **January 2011 – July 2011**

### **Section A**

**Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement.**

- ❖ The IQAC chalked out the following action plan in the academic year 2011-2012.
- ❖ Organisation of workshops, seminars on quality related themes and promotion of quality circles.
- ❖ To augment the participation index through dissemination of information among the various stakeholders of the institution and ensure the documentation of the activities vis – a –vis quality enhancement.
- ❖ As a part of enhancing ICT application and providing facilities to access journals, books and reference materials for the teachers and the students - providing BROADBAND INTERNET facilities.
- ❖ “Teacher Quality” is one of the key aspects of education. In order to motivate the young teachers towards quality teaching and research, a seminar will be organized.
- ❖ Internet having becoming the melting pot of much technological advancement with multimedia facilities at low cost and great speed, no higher education institution can ignore the role of ICT in teaching-learning process. In order to promote the use of ICT, every department will provided with a Laptop.

- ❖ To provide easy access for the payment of the fees and maintaining the account files etc., partitions are to be made in the office room. Also replacing the old flooring with modern floor tiles.
- ❖ To submit a proposal to the UGC to construct a new Hostel and Indoor stadium.
- ❖ To introduce new P.G. courses in Tamil and Computer Science.

### **Programme for Faculty Improvement**

- ⊕ Encouraging the faculty members to publish books and research articles in reputed journals.
- ⊕ To request the faculty to get grants from UGC, DST, DBT and CSIR to carry out major and minor research projects.
- ⊕ Motivating the faculty for applying awards.
- ⊕ Encouraging the faculty members to attend International conferences and seminars outside the state.
- ⊕ Encouraging the faculty members to organize National Seminars / Conferences for dissemination of knowledge.

### **Programme for Community development & extension activity**

- ✨ Proposed to conduct Science and Technology and Arts Exhibitions for school children during December 2012.
- ✨ Plan to extend services to the adopted Government Primary School at Gandhi Nagar.
- ✨ To help the aspirants appearing for SLET / NET Examinations and entry in service, free coaching classes are planned to conduct for a period of one month.

## **Programme for Students' Welfare**

- To conduct semester wise review meeting of examination results to assess the quality of teaching and learning.
  - To request Multi National / National Companies to conduct campus interviews to recruit our students.
  - To give special coaching for slow learners and students from weaker sections.
  - To promote ICT - enabled teaching learning process.
  - To encourage the students to participate in all the competitions conducted in the college and in various other institutions.
  - To encourage the students to participate in seminars inside and outside the college.
- Proposed to provide educational tour to students of all departments.

## **Section B**

### **Activities reflecting the goals and objectives of the institution**

- ❖ The vision of our college is to impart literacy to students of economically backward, rural areas and weaker sections.
- ❖ The mission of the college is to improve the lives of rural girls and to make them women graduates as agents for social change.

The college motto effectively portrays the aims and goals of the institution.

### **Goals**

- ◆ To uplift the women students from the poor rural and semi urban areas.
- ◆ To qualify them for personal success.
- ◆ To empower them.
- ◆ To foster in them concern for the marginalised and deprived communities.
- ◆ To instill in them a sense of leadership. The college mission and goals are reflected through the meaningful, productive and socially relevant curricula, formulated by the Manonmaniam Sundaranar University, Tirunelveli.

- ◆ Our College has given quality education with low fee structure, vernacular medium of teaching, by providing free bus pass to day scholars, low cost hostel facility within the college campus and Government free hostels near our institution for the girls from distant places.
- ◆ A sizeable percentage of our students belong to Scheduled Caste and Scheduled Tribes. Our faculty members are trying their best to spread the light of education to this section of the society for their upliftment in the society.
- ◆ Value education is imparted to the students through Mentor-Ward System.

#### **1. New academic programmes initiated**

Nil

#### **2. Innovations in Curricular design and Transaction.**

Manonmaniam Sundaranar University introduced the choice based credit system from the academic year 2008-2009 onwards, as per the recommendations of the Tamil Nadu State Council for Higher Education (TANSCHE). Faculty members in the Board of studies of M.S. University attended the meetings of the standing committee and gave their valuable ideas in designing the curriculum and framing the syllabus. Skill based subjects, non-major electives and applied subjects - electives are included in the present syllabus.

All the skill - based subjects and non-major electives are designed in such a way that they facilitate horizontal movement. For example, a student of B.A., English Literature studies, Bee keeping offered by the Department of Advanced Zoology and Bio-technology or students of B.Sc., Physics studies “Numerical Ability” offered by the Department of Mathematics.

### **3. Inter disciplinary programme started**

Social Value Education and Environmental Studies are given as Inter-disciplinary subjects.

### **4. Examination reforms implemented**

In the choice based credit system student's performance is evaluated at the college level by giving periodical class tests and 3 internal tests. According to the university norms 25 marks are allotted for internal assessment and 75 marks for university examination. 20 marks are allotted for internal test and 5 marks for assignment. Out of the 3 internal tests average of the best two are considered and taken for internal assessment.

- ▶ Centralised model examination based on the university evaluation method is followed. Answer scripts are valued and the progress reports are sent to the parents of the students.
- ▶ University conducts examination at the end of each semester.
- ▶ For science students, practical examination will be conducted at the end of the academic year.
- ▶ For Social Value Education, Environmental Studies and for major subjects compulsory project is given and marks are allotted for that.
- ▶ For major subject project, group projects are given. They are evaluated by external examiners by conducting viva voce.
- ▶ For visually impaired students, scribes are appointed to help them in writing the university examinations.
